**NEUROPTIMAL™ PERSONAL EQUIPMENT RENTAL AGREEMENT**

This contract is between Rae Tattenbaum and \_\_\_\_\_. The equipment listed below has been paid in full by Lender. This equipment cannot be sold outright or gifted. It is on loan from Rae Tattenbaum and remains her property. The purpose of the loan of this equipment is to permit the borrower to conduct NeuroOptimal™ training for \_\_\_\_\_ in their home and/or to trial test the system. This rental is conducted on a month-by-month basis. During the time of this rental, the borrower will:

1. Keep the system on and plugged into electricity.
2. Attend an online or offline demonstration (you tube videos suffice) of system operation lasting no more than 30 minutes.
3. Conduct up to 10 sessions. Additional sessions may be purchased if available on the system. These will be charged at the rate of \$25 per session at the end of this contract. There is no reimbursement for unused sessions.
4. At the initiation of the loan period remit a monthly rental fee of \$660 per month, and if shipping is needed, 2day or ground roundtrip shipping via insured carrier (e.g., FedEx or UPS) with \$5000 insurance.
5. Additional time may be used by mutual agreement prorated at the above rate of \$660 per month.
6. Payment for any additional sessions will become due immediately at month's end or termination of agreement.

This loan agreement places all such equipment on loan for the period of one month commencing on the date at the bottom of this contract, terminating on \_\_\_\_\_. Lender reserves the right to request the equipment to be returned at any time. If that is within the month covered by this contract, unused sessions will be credited to the borrower and rental cost will be prorated. If it is after the time of the contract the lender can, at its discretion, charge a rate of \$50 per day rental for time overdue. Failure to return the equipment within 15 days following the termination of this contract will result in the borrower's credit card being charged replacement costs in the amount of \$5000 USD. This fee is additional to the contracted rental rates above. The equipment (including the software license) will then belong to the Borrower. Borrower is responsible for maintenance of the equipment and agrees to sign in for a Zengar ZenConnect upon request. There will be no charge for this service. **No alterations, work or additions may be made to the computer at any time except by Zengar Institute technical staff.** Should technical problems arise due to additional software/hardware being installed, Lender will return the system to its original state and the charge posted to the Borrower's credit card for technical service charge reimbursement. In the event of damage, theft or loss, Lender must be notified immediately. Compensation for lost/damaged or stolen equipment is to be made to Lender and therefore insurance for the equipment is the onus of borrower. Value of equipment: \$5000 USD.
